The parties agree that good cause exists for granting this motion, and the motion is not sought for delay purposes. The plaintiff, Mr. Robert McArdle, filed for Chapter 7 bankruptcy on May 4, 2011, in the United States District Court for the Western District of Washington, Tacoma, Proceeding No. 11-43641. A Chapter 7 trustee, Mark Waldron, was appointed on June 13, 2011. Since the appointment of the trustee, the trustee and the Defendants have reached a settlement agreement. However, because of Mr. McArdle's bankruptcy filing, the parties' settlement agreement is subject to approval by the bankruptcy court. If the settlement agreement is approved by the bankruptcy court, the parties will promptly notify this Court that a settlement has been approved so that action can be taken to dismiss this matter. If the settlement agreement is not approved by the bankruptcy court, the parties will promptly notify the Court in order to request a new trial date.

For the reasons stated above, the parties respectfully request that the Court enter an Order staying all deadlines in this action pending the approval of the settlement agreement by the bankruptcy court.

STIPULATED TO AND PRESENTED this 2<sup>nd</sup> day of April, 2012.
